5 Orignes is to French architectural salvage what Lassco is to English. So those on a quest for similar fire surrounds or floors like the ones in the magnificent Château de Carrouges (page 66) should make one of its three shops their first port of call. Shown here is a monolithic 16th-century example made from carved limestone (£13,716 approx), and some hexagonal terracotta tiles (£72 approx per sq m). Ring 00 33 1 30 88 15 15 ■
